Sonds-Mr. Oliver's could, of this place, was attacked with scrofula when two years old, which soon reduced her to a mere skeleton. The disease be lodged under skin, and frequently breaking out to the surface. It then heals. When there is nothing but malignant sores on the head, body and limbs. Uniferent physicians in Newark. Be leville and New York, prescriand soften until the skin becomes as smooth and delicate bed for her at various times, but finally gave up the case as perfectly hopel as At last Mr. Oliver was induced to try your sarsa arilla, and accordingly pocured four bottles, which was sparingly administered, with many in terruptions, yet with the most decided benefit. About two months ago I become acquainted with the circum stances of the case. Techild, who is now aged four years, was one complete mass of disease, and incapable ow let me say to parents, that this Salve will always of using any of her limbs. Her body was swollen to tell if a child has worms. It will DRIVE every vestige mearly twice its natural size; the head, limbs, and body were almost entirely covered with larg sores. She was unable to move, and would take no notice of any thing AS A FAMILY MEDICI E,
No man can measure its value. So long as the stars roll wardly, attended with bloody evacuations every few along over the Heavens, -so long as man treads the hours. They progued some more of the ausaparilla, OULD take this opportunity of expressing his gratitude to the citizens of Wilmington of Wilmington of Strong of the flesh -so long as discuss and sickness is known -just so long will this good 'intment be used and esteemed. When man ceasing the second bottle, and the sores are just finished taking the second bottle, and the sores are nearly all headed, the limbs are restored to their natural. Fine Fur and Silk Hats, use, she is quite cheerful, and is fast improving in health.
